Sew 2 yellow triangles to remaining sides of the center print. Press seams toward the yellow triangles. Trim edges to square up center block to $12\frac{3}{4}$ " x $12\frac{3}{4}$ ".

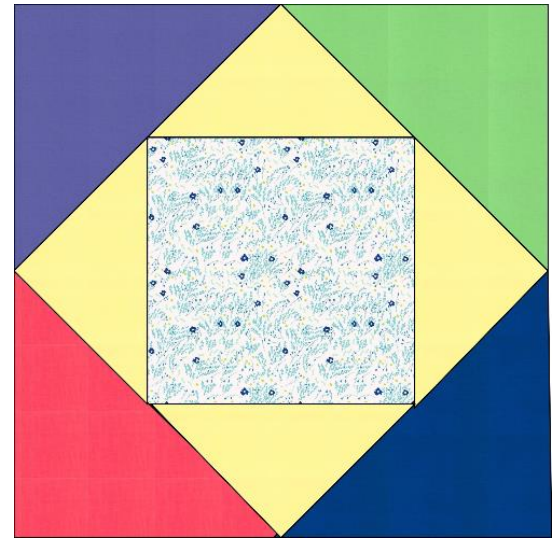

Use quilt photo for fabric placement. You may want to layout all
fabric pieces to get an idea of placement before you start sewing
together.

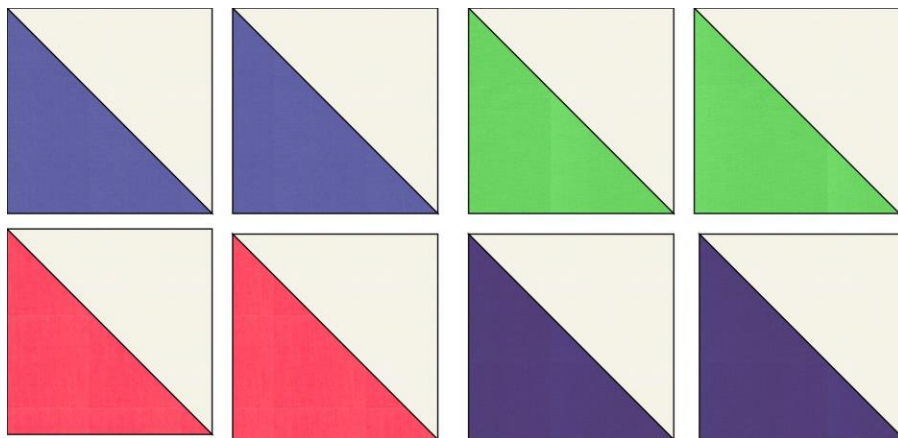

Sew a Blue Swan and Navy Rabbits triangle to opposite sides of center block. Press seams toward the new triangles.

Sew a Green Rabbit and Pink rabbit triangle to remaining sides of center panel. Press seams toward new triangles.

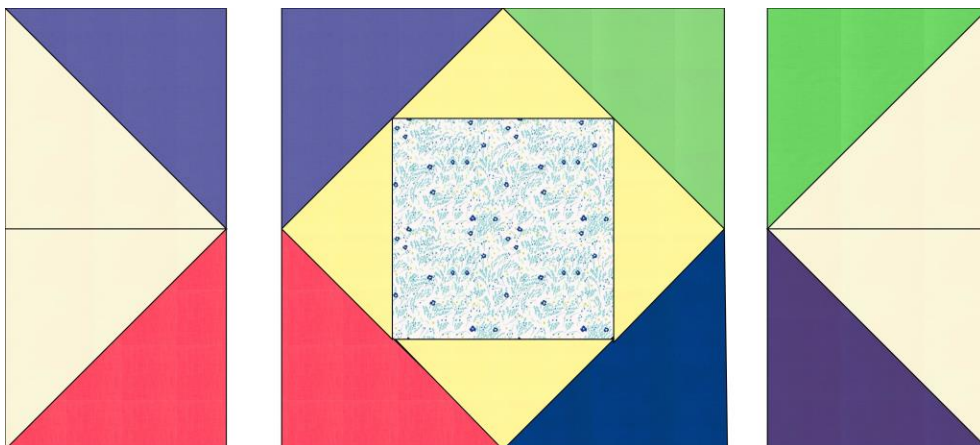

Center block should now measure 18 1/2" x 18 1/2".

Match up two pink, two green, two navy, and two blue triangles right sides together with a white-background print triangle. Sew together along long edge. Press seams toward the dark print. Square up these half-square-triangle blocks to 9 1/2" x 9 1/2". These will be the points of the star.

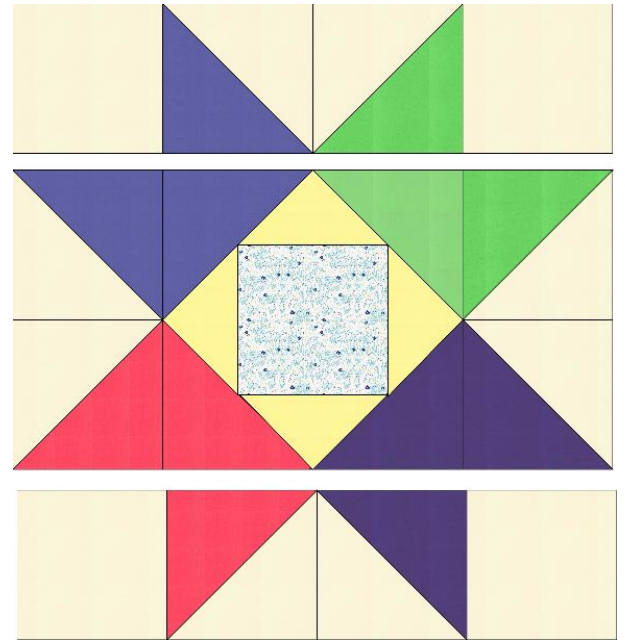

Sew two sets of star-points blocks together. Sew them to two sides of the center block. Press seams toward center block.

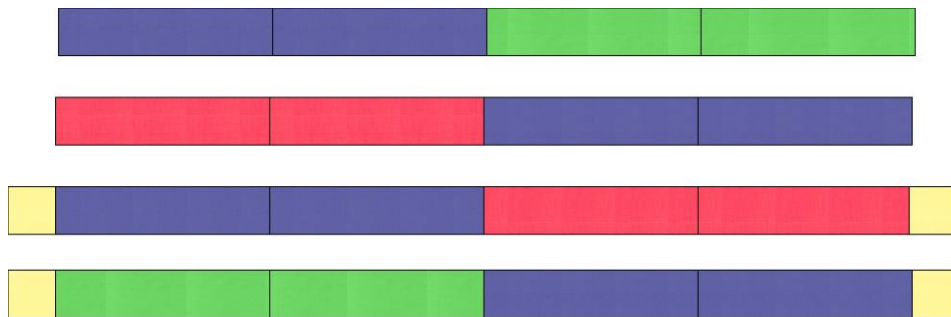

Sew a 9 1/2" x 9 1/2" white-background corner block, two star-point blocks, and another 9 1/2" x 9 1/2" white-background corner block into two rows.

Sew to the top and bottom of the center part of the star. Press seams toward the outside rows.

Sew four 2 1/2" x 9 1/2" strips into four sets. Sew two of the sets to the sides of the center star block. Press seams toward borders.

Add a yellow 2 1/2" x 2 1/2" square to either end of the remaining strip sets. Sew strip sets to top and bottom of the quilt.

Press seams toward the outside.

Quilt as desired.

Binding: Cut four 2 1/2" x width of fabric strips from Navy Garden Shade. Sew into one long, continuous strip.
